# Welcome!

Our goal is to give you the options you need to keep your dog healthy and comfortable. From flooring that is safe for their little feet, doors that open easily and safely for them, air conditioning and heating to keep them comfortable and everything else that makes a kennel a healthy home for them.

Raising pups successfully is an ongoing challenge. We continue to offer more and more whelping options that increase the chances of successful litters. Client feedback and breeder's input has been very helpful in developing products that achieve the best results possible.

We continue to add parts and supplies to make it easy for you to have access to proven products. Let your dogs know you love them and want to take good care of them. Buy the best.

## Agricultural

Superior anti-bacterial performance for sanitary requirements make NorLock divider planks an ideal solution for many animal containment and agriculture applications. Made from PVC, Trusscore wall, ceiling, and penning products are a high-strength, long-lasting, and hygienic alternative to fiberglass reinforced plastic (FRP), concrete, plywood, and OSB systems in agricultural facilities that are fully CFIA, USDA, and FDA compliant.

## Commercial

Food Processing Industry with Trusscore Wall&CeilingBoard, you never have to worry about what's going on behind your wall panels. Our food-grade PVC-based wall and ceiling panels are 100% moisture and water resistant, and its non-porous surface means that bacteria, mold, or viruses can never take hold. When it's time to clean, you can choose whichever method is best for your facility – durable Trusscore panels can handle repeated cleaning using soap and water, chemical cleaners, or pressure washing without ever being damaged.

## Healthcare

Hospitals and Veterinary Clinics need no-excuse equipment and facilities that provide them with flexibility as well as day-to-day utility. Trusscore makes products that are designed to deliver just that – permanent wall solutions for the construction of new rooms or the retrofitting of existing spaces, as well as temporary walls or dividers that can be used to quickly partition or divide a space. And all Trusscore products are durable, easy to clean, and hygienic. They're simple and quick to install or configure and in all cases are cost-effective.

# Heavy Duty Feed Cart

**NEW STYLE!**

## Feed Bin

- Very Sturdy Construction
- Made From 3/4" Black PVC
- Heavy Duty Hinge Supports Lid Across the Full Length of Bin
- Super Strong Magnet Keeps Lid Securely Shut
- Heavy Duty Wheels

3.5" high ledge around the top provides area for keeping tiny puppies safe while washing down the pen, or cleaning the weaning carpets. Also provides a surface for measuring meds or other tasks with no risk of items rolling off and getting snatched by waiting opportunists

Ledge works as handle to open lid

Super Strong magnet holds lid firmly shut to avoid any rodent access and any sneaky dog theft

Wheels are heavy duty and roll smoothly and silently

Gas Cylinder prop holds lid open while feeding and voids any slamming when closing

All size bins have one 7"D x 4"W compartment at the side to store meds and supplements and other small supplies

heavy duty build holds up to 200 lbs of dog food

## VEVOR Dog Grooming Tubs - Great Options for Pros and Home Groomers

Professional Stainless Steel Pet Dog Bath Tub, with Ramps/ Steps, Faucet & Accessories!

**Durable Construction:** Made from high-quality 304 stainless steel, making it corrosion-resistant.

**Sizes for Versatility:** With a 50" size, these tubs can accommodate a variety of dog breeds, from small to large, making them ideal for professional grooming salons or pet households. Max weights vary from 220lbs to 330lbs.

**Convenient Door Designs:** These tubs have either a sliding door, or a hinged door with a seal to create a non-leaking tub. Choose to have your door open on the left or right.

**Adjustable Floor Grate:** The included floor grate is easily adjustable to accommodate different-sized pets, keeping them elevated to the ideal height.

**Faucet and Sprayer:** Includes hot & cold hookup, with sprayer and faucet.

**Pre-installed Drain System:** The grooming tubs feature a pre-installed drain kit with a removable strainer, making it easy to remove hair and debris without clogging the plumbing.

**Anti-slip Surface:** The tubs surface has an anti-slip design, keeping pets stable during grooming and reducing the risk of accidents.

**Backsplash and Sidesplash Guards:** High splash guards prevent water from spilling out during grooming, keeping the surrounding area dry and reducing cleanup.

**Accessories and Attachment Points:** These tubs include leash hooks, bars and/or other attachment points for securing pets during grooming, ensuring safety and stability.

**Easy Maintenance and Cleaning:** The smooth stainless steel surface and easy access to all components make the tub easy to clean and maintain.

**Steps & Ramps:** The Vevor Grooming & Bathing tubs have either steps or non-slip ramps to make getting your dog in and out of the tub easy and safe. All of our steps and ramps are easy to slide under the tub, so it's out of the way when you are grooming.

**Options:** The Vevor tubs have varying options per table, such as which side you want the door on, and what type of ramp or step you need. Please call and we can go over the options and send you more info so you can choose and get pricing.

## Why Use Animal ID Microchips for Your Puppies?

As a responsible breeder, you want to ensure the best for your puppies, even after they leave your care. Animal ID microchips provide a lifelong, reliable identification system that offers peace of mind for both you and the new owners. These microchips are quick and painless to implant, ensuring your puppies are always protected. Should a pup ever be lost, the microchip dramatically increases the chances of a reunion by linking them to their owner's contact information. By offering microchipping with every sale, you demonstrate a commitment to animal welfare, enhance your reputation as a breeder, and provide an invaluable service to your clients. It's a small step that makes a world of difference.
